BETHEL TO VOTE ON IMPORTANT MATTERS SATURDAY, DEC. 3

It is the hope of many people who have an interest in town affairs that citizens from all sections of the town will be present at the special town meeting which opens at Odeon Hall next Saturday morning, Dec. 3, at 10 o'clock. Of more than usual interest are the matters to be considered at this time, which include insurance of town employees, discontinuing several unused roads, town ordinances, and acceptance of the act of the legislature repealing the charter of the Bethel Village Corporation.

Although up to now there seems to be little discussion of these matters, it would seem that the insurance will be accepted without much question. People interested in use of the several roads may question the advisability of the town's giving up responsibility for maintenance.

Of prime importance is the article relating to the Bethel Village Corporation. A few years ago the legislature passed a similar act and no action was taken by the Corporation or the town. This time in the opinion of many conditions have changed so that for the good of the town as a whole the functions of the Corporation may well be taken over by the town. It is pointed out that the assets of the Corporation, financial and material, will help in merging the responsibilities of town and village management and definitely lessen costs during the change-over period.

Voting of the Corporation acceptance will be by secret ballot as provided by the act of legislature, beginning at the close of the meeting and continuing until 7 p. m. Warrant for the meeting is on page four of this issue.

MRS. JAMES UHLMAN

Mrs. Edna Wolfe Uhlman, wife of James Uhlman, passed away Nov. 1, at Sanford after an illness of two years.

She was born in East Berlin, N. H., March 21, 1868, and lived there until her marriage. Since then Mr. and Mrs. Uhlman lived in Bethel until they moved to Sanford about 12 years ago.

Besides her husband, she is survived by two children, Mrs. Nina Crouse of Bethel and Forrest Uhlman of Sanford, five grandchildren and eight great-grandchildren.

Funeral services were held at Sanford and burial was in Oakdale Cemetery, Sanford.

The annual Christmas dance, sponsored by the Gould Academy Alumni Association, will be held at the William Bingham Gymnasium on Thursday, Dec. 29. Supper will be served at the Marian True Gehring Students' Home.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

Dec. 3rd at ten a. m. as you know is the date of the Special Town Meeting. Questions to be considered are whether or not you wish to discontinue some of the little used roads in town. To see if the Town wishes to participate with the State Insurance for Town Employees or not. The polls will be

through the day until seven o'clock to decide on the "Question of continuing or discontinuing the Bethel Village Corporation." This is Art. 13: a Yes vote means the Corporation will cease to act; a No Vote means the Corporation will continue as it has in the past. We hope a good number will express their opinion on this question as we need at least 134 votes for any decision in the matter.

You may have noticed the new shed under construction near the Town Garage. This is being built by the Highway crew with lumber cut on the Town Farm lot last winter. We hope to gradually complete this without asking for any additional appropriation.

We have two of the Mercury Vapor lights ordered for the intersections of the roads at East Bethel, and at the intersection at West Bethel. This should make quite an improvement at these two points.

WEST PARISH CHURCH TO PRESENT ANNUAL CHRISTMAS CONCERT SUNDAY

The West Parish Congregational Church of Bethel will present its three choirs in a concert of Christmas music Sunday afternoon, Dec. 4, at 4:30. Following the concert the Music Committee will serve a Christmas Buffet Supper. The proceeds from this supper will be for choir expenses.

The program will consist of Christmas music, both traditional and recent. One section of the program will be devoted to less familiar carols in the hymnal, the first verses to be sung by one of the choirs with the congregation joining in for additional verses. The three choirs will sing separately, together, and with solo parts.

A special feature of the concert will be the first appearance of the newly organized Adult Choir, numbering twelve singers. The high school choir is made up of forty boys and girls from Gould, primarily dormitory students. Twenty-four children from grades three through seven are in the Children's Choir. Mothers and friends of these children have made six new choir gowns this fall, to add to the 10 completed in the spring. Leslie Marceau and Florence Emery, sopranos, Dorothy Easton, contralto, and Howard West, tenor, will take solo parts. Dawn Christie will be organist, and Elizabeth Tobolski will direct the choir. Mrs. Marceau is well known for her singing ability, and will be welcomed again as guest soloist. Mrs. Emery has contributed to the musical welfare of Bethel by teaching piano and voice, and by actively participating in the Music Appreciation Group, Mrs. Easton, Norway, will also be welcomed back as guest soloist. She is featured weekly on the new Norway-Paris radio station, WKTO. Mr. West, a Gould senior from Errol, N. H., is a valued choir member. Mrs. Tobolski, director, taught a course in church music in the Oxford County School of Religion this fall. Miss Christie, of Bethel, although still a student in Gould Academy, has won acclaim for her ability and musicianship, in performing on both piano and organ.

The church and dining room will be decorated in the holiday spirit by Phyllis Howe, Faye Taylor, and Sude Vachon. The buffet supper will be planned and prepared by Ruth Dorion, assisted by Marjorie Barker, Millicent Pendleton, and Elaine Waldron. Paul Pendleton will be in charge of supper ticket sales.

Everyone is cordially invited by the church and by the music committee to attend the Christmas concert, and the buffet supper following the concert.

Truck-Auto Collision at North Newry Takes Three Lives Friday

In a head-on crash of an automobile and a pick-up truck at North Newry Friday afternoon three people lost their lives and four others were injured. Mrs. Claude Herrick of Newry was instantly killed, Lon E. Wight of Newry died before arrival at the Central Maine General Hospital, Lewiston, and Joel McLean of Portland died that night at the Rumford Community Hospital.

Critically injured were Michael Landry, 70, of Portland, who suffered a punctured lung, fractured ribs and knee injury, and Lionel Lajoie, 23, of Worcester, Mass., with multiple facial fractures, who are at the Rumford hospital. At the Lewiston hospital George Willard, 15, of Worcester, who suffered head injuries, is in serious condition. Miss Earlene Ferron, 21, of Worcester, a patient in the Rumford hospital, suffered fractured toes of both feet.

The accident took place on winding road near the home of Roy

and the weather clear. The Ford sedan, driven by Mr. Wight, was going in a northerly direction on its right side of the road, toward the Wight home about half a mile distant. It is not known whether McLean or Landry was driving the south-bound pickup. Mrs. Herrick was in the front seat of the Wight car, and Miss Ferron, Lajoie and Willard were in the rear seat. The latter were here with Miss Ferron's parents, Mr. and Mrs. Jesse Ferron of Worcester, spending the holidays with relatives. McLean and Landry were returning from New Hampshire, where Landry had been on business for his employer, the Sanders Engineering Co., Portland.

Deputy Sheriff Albert S. Grover of Bethel was among the first there. He notified the Scarborough barracks and State Troopers Allen Weeks Jr. of Dixfield, John Marshall of West Paris, and Raymond McCafferty of Mexico arrived at the scene.

LOE E. WIGHT

In the untimely passing of Lon E. Wight, a man who devoted his life to community service, the town of Newry, his family and his many friends have suffered a great loss. His warm, cheerful personality and his genial manner were the true indications of an inward love for his fellow men which prompted him to work unceasingly for the welfare of others.

Called upon repeatedly by his fellow citizens to lead his community in civic and political affairs, in which he was well versed, his sound judgment and basic integrity underlay many successful projects.

Lon was always ready to assist in the social life of his community. Upon countless occasions during the past fifty years, young folks and old have danced to the tune of Lon's fiddle as with smiling face and toe tapping time he has played and called the dances. His fun-loving disposition made him a great favorite with all children and young people. His own children and grandchildren were always a source of great pride and pleasure to him and he will be happily remembered by all the young folks.

Lon deeply loved and appreciated the beautiful natural surroundings in the midst of which he had always made his home and he was a great booster of the scenic beauty and natural advantages of Oxford County. Possessing a fund of knowledge of the topography and history of this region, he was never too busy to talk with friends or strangers and the hospitality of his home was well-known.

Lon was a native of Newry and the oldest male life-long resident of the town, being born here Oct. 27, 1880, the son of Willard B. and Sarah King Wight. He received his education in the Newry schools. As a young man he worked as scaler and was associated with his father and brother in the W. B. Wight & Sons, a dower mill.

After his marriage on December 31, 1910, to Susan E. Ferron of Errol, New Hampshire, he purchased the old Horatio Wight place where he made his home the rest of his life. Mrs. Wight passed away in August, 1931. Working as farmer, woods surveyor and supervisor of road construction, he devoted most of his time to town affairs. He served as selectman for thirty-seven years, being chairman of the board thirty-six years. He was moderator at town meeting for forty-five years and a justice of the peace for over thirty years. He also served as a member of the Maine State Legislature in 1921 and again in 1923.

A member of Bear River Grange for forty-five years and a past master, he was its treasurer at the time of his death, an office which he had held for many years. He was also a past master of Oxford Pomona and a member of the State and National Granges.

Lon was faithful in attendance at the Newry Church and was always devoted to the interests of that church.

He was a member of the Western Maine Fireman's Association and of a local dance band known as The Old Timers.

Funeral services were held in the Newry Church, Monday afternoon, with the Reverend Charles Pendleton of Bethel officiating. Interment was at the Head of the Tide Cemetery.

Lon E. Wight

Survivors include his children, Daniel M. Wight, Rumford; Mrs. Elizabeth Calvin, Greenport, N. Y.; five grandchildren; two brothers, George K. Wight, Framingham, Mass., and Fred Wight, Newry; and a sister, Miss Carrie Wight, Newry.

Let me rest within the shadow Of a mountain towering high, Over which soft clouds may follow; The only sound a blackbird's cry.

Where never throngs intrude, Where silver brooklets leap and laugh, There's rest in solitude.

When twilight dims the wooded track And vells the silent hills, No sound will reach my quiet shack Save the murmuring mountain rills.

There shall I sleep within the shadow Of the mountain's sheltering arm, My heart can hold no sorrow When close to nature's charm.

MRS. CLAUDE HERRICK

Mrs. Claude Herrick was born in Errol, N. H., Feb. 12, 1891, the daughter of Frank and Lizzie Whitney Ferron. Much of her life was spent in Rumford, and she had also lived in Andover and Bethel. For the past two years she had been housekeeper in Mr. Wight's home.

She is survived by two daughters, Mrs. Leo Cormier of Westbrook and Mrs. Beatrice Taylor of New Jersey; a son, Frank Morton of Rumford; three brothers, Everett Ferron of Newry, Jesse Ferron of Worcester, and Frank of Hyran; several grandchildren and great grandchildren.

Funeral services were held at the North Newry Church Monday afternoon, the Rev. Charles Pendleton officiating. Burial was at Errol, N. H.

Read Matthew 21:33-39.

How beautiful upon the mountains are the feet of him that bringeth good tidings, that publisheth peace; that bringeth good tidings of good, that publisheth salvation; that saith unto Zion, Thy God reigneth!

ADVENT means a new spirit, the dawn of new life on our lives with the gift of God's beloved Son, Jesus Christ. It means God has given us His love and forgiveness, His lovingkindness. In Christ, our peace with God is possible.

The source of peace for us lies in our response to Christ. When God's spirit controls our lives, we also become at peace with one another. Inner peace comes from trusting in God, in divine love and

in the divine purpose of God we have assurance of the final victory of righteousness and peace in the world.

In Christ's spirit may we go forth in reverence, justice, and kindness, giving ourselves and living godly lives. In this way of living lies the hope of a warless world, a world of peace.

Prayer
Our Father, we thank Thee for Jesus Christ. We know that our happiness and peace are found in Him. Help us to be obedient to Thy just and holy will. Let Thy light shine in us and upon us as families and Christian communities. For our Redeemer's sake. Amen.

Thought For The Day
In Christ we have life abundant and peace.

CHRISTIAN SCIENTISTS HOLD THANKSGIVING SERVICE

Spontaneous testimonies of gratitude by church members for blessings during the year which a spiritual understanding of God and man had brought into their experience were a feature of the Thanksgiving service held by Christian Scientists, in Bethel on Thanksgiving morning.

A period devoted to voluntary statements of gratitude is included in the Thanksgiving Day service in all Christian Science churches. Testimonies included mention of healing of physical diseases through the application of Christian Science, as well as other blessings.

The Lesson-Sermon read from the book was entitled "Thanksgiving." It was especially prepared for the day, and consisted of selections from the Bible and from the Christian Science textbooks, "Science and Health with Key to the Scriptures" by Mary Baker Eddy.

MacDowell's 1020, was the prelude. The service was opened by the congregation singing hymn No. 73 in the Christian Science Hymnal, "Glory honor praise and pure oblations, unto God the Lord be long."

The First Reader then read the Thanksgiving Day Proclamation by the President of the United States. Scriptural passages in the Lesson-Sermon included the following from Psalms 85 (11, 12): "Truth shall spring out of the earth; and righteousness shall look down from heaven. Yea, the Lord shall give that which is good; and our land shall yield her increase."

Among the correlative passages read from Science and Health was the following (3:22): "Are we really grateful for the good already received? Then we shall avail ourselves of the blessings we have, and thus be fitted to receive more. Gratitude is much more than a verbal expression of thanks. Action expresses more gratitude than speech."

The postlude was the Dutch Prayer of Thanksgiving, Protection.

CAPTAIN KID STUFF

(OR...JOHN'S MISTAKE)

John was growing up. (He shaved. He drove a car. He wanted to impress girls.) But John was impatient. He wanted to be more grown-up. He wanted a grown-up reputation. In short, he wanted to make a name for himself. That's natural. Most young men his age feel the same way. But John made a mistake. He expressed his impatience and his ambition behind the wheel of a car.

He became another "highway cowboy." He purposely drove fast... didn't use chains on snow or ice... skidded... took chances... raced on crowded streets. He thought this would make him seem more grown-up. But the gang could see through his antics. They gave him a name all right—"Captain Kid Stuff." They were smart enough to know that Careless Driving is Kid Stuff.

THE SIX RULES OF WINTER DRIVING

1. ACCEPT YOUR RESPONSIBILITY To do all in your power to drive without accident. Don't blame the weatherman for an accident.

2. GET THE "FEEL" OF THE ROAD. Try brakes occasionally while driving slowly and away from traffic. Find out just how slippery the road is and adjust your speed to road and weather conditions.

3. KEEP THE WINDSHIELD CLEAR of snow, ice, fog and frost. Be sure headlights and defrosters are in top condition and windshield wipers don't streak.

4. USE TIRE CHAINS AND GOOD TIRES. Don't rely on worn smooth tires. Use tire

chains on snow and ice. They cut stopping distances about half, give 4 to 7 times more starting and climbing traction ability.

But even with the help of chains, slower than normal speeds are a "must" on snow and ice.

5. PUMP YOUR BRAKES to slow down or stop, jamming them on can lock the wheels and throw you into a dangerous skid. A little skidding can carry you a long way.

6. FOLLOW AT A SAFE DISTANCE. Keep well back of the vehicle ahead—give yourself room to stop. Remember, without tire chains, it takes 3 to 12 times as far to stop on snow and ice as on dry concrete.

Across the Desk

From the South Pasadena Review, South Pasadena, California: The penny piggy bank isn't in demand as it once was, because, say to producers, "the penny has lost its appeal to children." Since the penny boys so very little, they explain, most children have no appreciation for anything less than a dime. Well, the kids can't be blamed for their wanting interest in coppers, but they shouldn't be allowed to believe that they have no value at all. Pennies can pack quite a financial wallop. There was a California minister, for instance, who started a penny campaign to buy a new organ for his church. Three hundred thousand pennies were needed. The little coins started to roll in, not only from members of his church but from other townspeople who became intrigued with the idea. In a few months there were 300,000 pennies piled in a heap, and the hoped-for organ quickly became a reality.

There's a saying that it's the little things in life that count. Many a man has made a big success because he gave attention to the little things; many another has failed because he didn't. So with the kids. The penny saved can be their first step toward self-dependence and a true sense of values.

From the Catskill Mountains Star, Saugerties, New York: Much has been said and much more has been written about newspaper boys. Closely associated has been the slogan "Busy Boys Are Better Boys." To that can be added "Newspaper Boys Have Better Advantages."

There is a sound reason for this fact. Never before in the experience of business has there been a greater need for men who can accept responsibility and for men who are willing to work hard. Newspaper boys cannot help but acquire experience and training of a vital nature. Their day to day work teaches them the value of public contacts, good-will, reliability, accounting, selling, and the results that follow enterprise and effort.

There is evident in this country a trend to make life easier. Employers are constantly faced with the fact that people are seeking jobs and are more concerned in the benefits than they are in the opportunities. Therefore, the newspaper boy who has learned how to work and who has learned how to accept responsibility will stand out and is just bound to succeed. So, today's newspaper boy is just certain to be tomorrow's successful business or professional man.

Economic Highlights

Happenings That Affect the Future of Every Individual — National and International Problems Inseparable from Local Welfare.

Everyone would like to see a depression-proof economy. All major groups—business, labor, agriculture—have programs which, in their view, would contribute to this achievement. Since the great depression of the '30s, government has acquired enormous economic powers which, it is hoped, can aid in preventing any really major crash. Even so, no one knows if a depression-proof economy can ever exist, much less if we have a reasonable facsimile of one now.

A booklet recently issued by the Chamber of Commerce of the U. S. is devoted to this matter. It does not provide an unequivocal answer to whether we are depression proof or not. But it does sum up some of the factors now influencing the business cycle—and it reaches certain significant conclusions. It uses, in point, our experience during the transition from the Korean War boom. Production, employment, and government and business spending all went down. But the recession was short-lived—and the fears of the many who thought we were in for a massive depression proved unfounded.

One factor involved here is the present-day attitude of business executives. President Eisenhower, in an economic report, described it thus: "Expecting our economy to grow and prosper, they do not permit minor variations in sales to divert them from the objective of strengthening, or at least maintaining, their competitive position five or ten years later." In other words, planning—like research and capital

investment—is on a long-term basis. Another structural change in the economy is that our industries are far less homogeneous today than they used to be. Competition has become more intense. The Chamber cites many examples of this, and says:

"For any company to stand still or to postpone improvements is to invite the threat of competition and even bankruptcy. An enterprise anticipating better markets for its products for the next six months or a year formerly delayed innovations. Today, one of its rivals may introduce the improvements first. If the enterprise in question delays." It also observes that such structural changes "will not of themselves make our economy depression-proof. But added to the other forces making for greater stability, they can be a potent ally."

The Chamber deals with the so-called "built-in stabilizers" of our economy. These include government spending; farm price supports; unemployment compensation; private and public pension systems; the enormous volume of liquid assets in the hands of businesses and individuals; the self-amortizing nature of most private debt; insurance of deposits, etc. We have no real test of these stabilizers, but they must be considered.

Finally, to what conclusion does the Chamber's study come? It is cautiously optimistic. The gloom found in these words: "Prolonged and deep depressions are avoidable and will not occur again, unless we take complete leave of our wits—which could be. Minor fluctuations and rolling adjustments in industry after industry are inevitable. . . . If we have the courage to avoid excessive booms and the will to use what we know, there is reason to believe that future instability can be kept within fairly tolerable limits."

Could Academy, under new coach Wendell Brewster, is preparing for a fifteen-game schedule which includes the basketball jamboree at South Paris this Friday. Gould and South Paris are pitted against each other to open the affair at 8:30.

Only one of the original starting five is back this year, Merle White is a veteran of two seasons and last year was the team's high scorer. Dick Roberts was drafted from the J.V.s at midseason when two regular guards were disabled so he has considerable experience. Only Capt. David Willard and Jim Murphy are other returners from last year's varsity. Both had some experience and Coach Brewster is grooming them for guard posts.

Those who have come up through last year's Junior Varsity are Norman Hill (C), Fred Feltner (C), and Guy Whitten (G). Other new candidates who are showing up well are David Knight (C), Jere Snell (C), John Giddings (C), Jon Jenkens (C or G), and Rodman Barlow (C or G). At the time of writing the team has had only one scrimmage so a definite starting line-up is still uncertain. The team this year will have considerable more height and some real scoring power with White, Jenkens, and Knight working together.

Hastings Honors Gould. The Gould Academy choruses with Walter Marcuse as director have recently been honored by the dedication of an anthem, "Jesus Ahahonyah" published by the Boston Music Company, with setting by Edward H. Hastings of Bethel and Boston. The honor bestowed on the Academy's choruses is one which will receive nationwide circulation. The anthem is a Huron-Indian Christmas Carol and will be performed for the first time in Bethel during Gould's annual Christmas Vespers in the West Parish Congregational Church on Dec. 18 at 8 p. m. Edward H. Hastings, a native of Bethel, is a musician of note, now teaching English and music at Clark University in Worcester, Mass. He is also the organist and choir director of a historic Boston church. The trustees, faculty, alumni and students of Gould are most appreciative to Mr. Hastings for the honor he has given the Academy.

The boys of Holden Hall will hold their annual drum party on Saturday evening, Dec. 3.

Icy roads Monday caused a near accident when the school bus slowed sideways down a hill near the home of Fred Haines. No one was injured when the bus came to a stop cross-ways of the road. Ashes supplied by Fred Haines enabled the driver, Dennis Robertson, to get the bus out of the road before someone came over the hill and in to it. The children were told to walk to the Primary School a half mile away while the driver waited for the sand trucks as he did not dare to go any farther on the treacherous roads. Fortunately it was there instead of some place where it could go into the river or a ravine.

THE LOW DOWN FROM HICKORY GROVE

You know, folks in this land of foldin' money and 12 buck motel rooms, we are too occupied to deduct the answer to what has been happening in the line of socialistic achievements right on our doorstep. To get people to pay heed these days you gotta shoot off cannons, do skywriting or hearay stuff. A Govt. power house—a Govt. plumbing shop—a Govt. duck and chicken market—all same kind fumididdle, would say duck merchant Ah Sing. I agree with Mr. Sing.

Then we sorted fruits, vegetables, and canned goods which had been donated to go in them. We sang some carols and DeDee and Joanne served refreshments.—Norma Kimball, reporter.

Patrol 4—Girl Scouts. We are all getting along fine our skirts. We worked on Christmas pins this week. Poor Dixie worked so hard only to have hers break in two as the finishing touches were being added. We drew names for our Christmas party. As usual each girl will make the gift for the name she draws. We feel very pleased to know that Hope's Brownies are following our plan of making your gift. We hope they will enjoy it as much as we always have. You really can make such cute things if you try!
